

LITTLE RED ROCKET CLASS DESCRIPTIONS

HOMework HELP/TUTORING

Our teachers are trained in English/Spanish to help support your child with homework assignments. Our tutors will help boost comprehension build confidence and feel fully supported. All homework will be completed daily!

KARATE

Kenshikai Karate is a traditional style of karate that offers a comprehensive program of physical fitness, self defense, and meditation. The wonderful instructors from Riverdale Kenshikai Karate, work with the children and at the end of year each child will have a belt promotion.

BOOK MAKING

In this class we will explore making all different types of books i.e flip books, Illustration, and comic books. Through bookmaking we're able to blend academics and art in ways that excite and engage students.

MAKE AND TAKE

Your child will construct an array of creations each week, where they will be able to "Make And Take" home their special project.

VOLLEYBALL

This fun and engaging game will teach your child the fundamentals of Volleyball and develop the proper mechanics and skills to play the game. All in a fun and friendly environment.

DISCOVERY SCIENCE

We believe in a hands-on approach to teaching science, introducing scientific ideas through exciting experiments, chemical reactions and creations, as well as elements of design and construction.

SPORTS AND GAMES

Each week the children will engage in a different sport, this class takes place in the gym. Kickball, basketball, soccer and other team games will be taught in a fun environment.

MODERN DANCE

This dance class is taught by an experienced Alvin Ailey dancer. The program will introduce classical ballet, modern, West African, and lyrical.

TEAM BUILDING

Team building will introduce various types of activities used to enhance social relations and define roles within teams, often involving collaborative tasks.

CHESS

Chess has been around for over 1,500 years, and is still as popular as ever! The benefits of chess include logic, critical thinking, and creativity.

COOKING

Kids will explore fun foods from different cultures around the world, kitchen skills, and making yummy dishes!
